

OUR PURPOSE

CARING FOR EMPLOYEES, CARING FOR OUR GUESTS

REZIDOR AIMS TO BE THE EMPLOYER OF CHOICE FOR OUR PEOPLE. WE CARE FOR OUR EMPLOYEES, INVOLVE THEM IN OUR PLANNING AND DECISION-MAKING PROCESSES, AND ASK FOR THEIR FEEDBACK.

An international powerhouse, Rezidor brings together 43,700+ people from 155 nations, all dedicated to serving our guests with passion and care. It is our people – and their Fighting Z-spirit – that drives our success.

Rezidor has a strong Employee Value Proposition (EVP) – Our Promise – which fuels that drive. Our Promise recognizes our commitment to diversity, individuality and passion. It summarizes Rezidor's offer to our people and aims to promote employee engagement with the company. It strengthens the human nature of the true Rezidorian spirit, our attitude and our work ethics. Our Promise also recognizes that personal and long-lasting relationships are at the core of our business and crucial to our success.
